**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137 (b)**

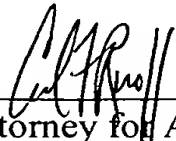

This is a Petition to revive the above-captioned U.S. patent application, which was unintentionally abandoned due to failure to submit formal drawings. The failure to submit formal drawings was unintentional.

1. This application became abandoned on December 28, 2006.
2. This application became abandoned because the failure to timely file corrected drawings within the 3 month period set in the Notice of Allowability dated September 1, 2006. The delay was unintentional as the drawing requirement was not docketed correctly resulting in payment of the issue fee without corrected drawings. The entire delay in filing the required reply from the due date until the filing of this Petition was unintentional.
3. The reply that is required by this Petition, is to submit formal drawings, said formal drawings being enclosed.

4. Please charge the Petition fee set forth in 37 CFR 1.17(1) to
Applicants' assignee's Deposit account no. 05-0225.

Favorable consideration to this Petition is earnestly solicited.

Respectfully submitted,
